

ECHOES – Short Film Script (Reconstructed from Video)

FADE IN

INT. ROOM – MORNING

A cup sits on a table. A hand drops a tea bag into hot water. The room is quiet. The day begins normally.

INT. GAMING ROOM – EVENING

A young man sits in front of his computer. Neon lights glow around the setup. He starts an online match and becomes deeply focused on the game.

MONTAGE

- Fingers move rapidly across the keyboard.
- The mouse clicks with urgency.
- The screen flashes with game visuals.
- “MATCH FOUND” appears.

INT. BEDROOM – NIGHT

Exhausted, the young man collapses onto his bed. The pressure of competition and isolation begins to show on his face.

EXT. HOUSE – DAY

The next morning, he steps outside. The atmosphere feels different. Strange sounds and subtle visual distortions suggest that something is wrong.

INT. GAMING ROOM

Back at the computer, he continues playing. The line between reality and the digital world starts to blur.

WHITE FLASH

Reality suddenly breaks. Everything turns bright.

BLACK SCREEN

A voice appears through subtitles:
“I'm the guide here.”

EXT. UNKNOWN LOCATION

A mysterious hooded figure sits waiting. The young man approaches cautiously. The guide seems to know more than he does.

GUIDE:

“You've been chasing victories, but you've lost yourself in the echoes.”

The young man looks confused.

GUIDE:

“Every choice leaves an echo. Every obsession leaves a mark. You can keep running... or face yourself.”

The world shifts again.

EXT. OPEN FIELD – DAY

The young man falls to his knees, overwhelmed by the realization. He reflects on his actions, his time, and the life he has neglected.

He slowly rises, determined to change.

FADE OUT

THE END
